The February 2010 issue of Inside Erin is now available in both PDF and plain text formats. You can find both versions on the newsletter website here: <http://newsletter.aifcommunity.org> The big news this month is the release of the list of nominees for the 2009 Erin Awards. The Erins website has been updated to show the list of eligible games and nominees, and the online ballot, where you can vote with a few clicks of your mouse, will be available very soon. I'll let you all know as soon as it is up and running. In the meantime you can check out the nominees in the newsletter or on the Erin Awards Website here: <http://erins.aifcommunity.org> In This Issue:
